Hangzhou West Lake Management Committee organized a tour of the West Lake for people with Down Syndrome and their families by bus. The activity, which was fully supported by the local tour company, has been running for 12 years since 2012.

3. 13th WDSC (July 2024)

- *It is one of our dreams to host the WDSC in China in the future.*
- *Ms. Ye Lei, as the founder of UFD, went to the conference with a mindset of learning. It was surprised for us to see two people with Down Syndrome as the hosts of the closing ceremony of the conference.*
- *We truly felt the meaning and significance of self advocacy.*
- *Self advocacy will be the goal throughout UFD period.*

4. Self Advocacy

- *Since 2019, we have been promoting self advocacy among the Down Syndrome community for 5 years.*
- *Our plan is to gradually expand the understanding and significance of self advocacy through learning international advanced concepts and methods.*

Creative activities

- A volunteer, who is also a sister of children with Down Syndrome, invited several families to her graduation exhibition.
- The graduation project is a simple game designed to meet the demands of children with Down Syndrome's sensory integration training and to improve their training enthusiasm through games.

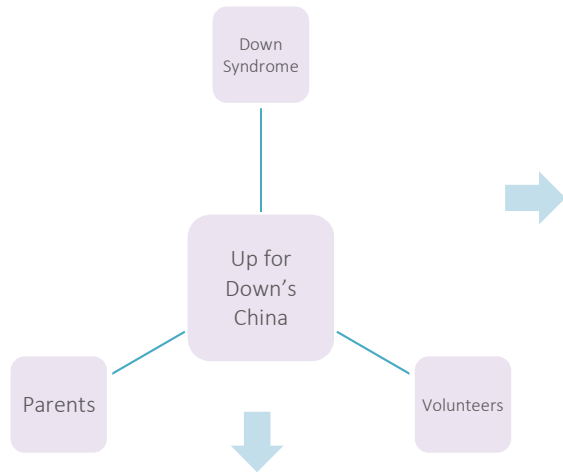

Annual music concert

- We held the second session country music concert on October in Liangzhu, Hangzhou.
- The annual concert is not only a stage for people with Down Syndrome to show themselves, but also an opportunity to get to know each other.
- People with Down Syndrome and their families can understand what UFD is currently doing and their future plan.
